
Lumynr Ambassador Program Terms & Conditions

Last Updated: April 2026

1. Program Overview

The Lumynr Ambassador Program ("Program") allows anyone — Lumynr members and non-members alike — to earn a referral reward by referring new members to join the Lumynr community. These Terms and Conditions govern your participation in the Program.

2. Eligibility

2.1 Ambassador Eligibility

To participate as an Ambassador, you must:

- Be at least 18 years of age
- Have a valid PayPal or Wise account to receive payment
- Not be an immediate family member of a Lumynr employee or officer
- Comply with all applicable laws regarding referral and affiliate compensation in your jurisdiction

Lumynr membership is not required to participate as an Ambassador.

2.2 Referred Member Eligibility

For a referral to qualify, the referred individual must:

- Be a new member who has not previously held a Lumynr membership
 - Not have previously created a Lumynr account under any email address
 - Complete registration using your unique Ambassador link
 - Meet all standard Lumynr membership eligibility requirements
-

3. How the Program Works

3.1 Your Ambassador Link

Upon enrollment in the Program, you will receive a unique Ambassador link accessible through your Ambassador Dashboard at amb.lumynr.com. This link is personal to you and may not be transferred, sold, or reassigned.

3.2 Sharing Your Link

You may share your Ambassador link through any lawful channel, including:

- Personal emails and direct messages
- Social media posts
- Newsletters and websites
- Word of mouth

3.3 Referral Tracking

When someone clicks your Ambassador link and creates a Lumynr account, that referral is attributed to you. The referred individual must complete the full sign-up process using your link for the referral to be tracked. You can monitor your clicks, conversions, pending rewards, and payout history at any time through your Ambassador Dashboard at amb.lumynr.com.

4. Qualifying Referrals

4.1 Definition

A referral is considered "qualified" when ALL of the following conditions are met:

1. The referred individual completes registration using your unique Ambassador link
2. The referred individual completes their 30-day free trial
3. The referred individual's first paid membership charge is successfully processed
4. The referred individual maintains active, paid membership for at least 62 days from their first paid charge
5. No chargeback, dispute, or refund has been initiated on any payment

4.2 Qualification Timeline

For a typical referral:

- Day 0: Referred member signs up (30-day free trial begins)
- Day 31: First paid membership charge processes

- Day 62: Two full paid months confirmed → **Referral qualifies**
-

5. Rewards

5.1 Commission Structure

Commissions are fixed and based on the membership tier the referred member selects at the time their first payment is processed:

Referred Membership Tier Ambassador Commission

Nova	\$20
Luminary	\$30

Referrals from members who join at the free Spark tier do not qualify for a commission, as no paid membership has been established.

5.2 Prevailing Rate Policy

Commissions are always calculated against Lumynr's prevailing published membership rates, regardless of any discount, promotion, coupon, or founding member rate the referred member may have received. If Lumynr's prevailing membership rates change in the future, commission amounts will be updated accordingly. Ambassadors will be notified of any such changes via email prior to the effective date.

5.3 No Annual Cap

There is no limit on the number of qualified referrals an Ambassador may earn rewards for in a given period.

5.4 Reward Timing

Qualified referrals are batched and paid once per month. Referrals that reach their 62-day qualification mark within a given calendar month will be included in the following month's payout batch.

6. Payouts

6.1 Payment Method

Rewards are paid via PayPal or Wise. Ambassadors must provide valid payment details through their Partnero dashboard to receive payment. Lumynr is not responsible for payments delayed or lost due to incorrect payment information.

6.2 Minimum Payout

There is no minimum payout threshold. All qualified rewards are included in the monthly batch regardless of amount.

6.3 Tax Responsibility

Referral rewards may be considered taxable income depending on your jurisdiction. You are solely responsible for reporting and paying any applicable taxes on rewards received through the Program. Ambassadors who earn \$600 or more in a calendar year may be subject to U.S. tax reporting requirements. Lumynr does not provide tax advice; please consult a tax professional if you have questions.

7. Program Integrity

7.1 Prohibited Conduct

Ambassadors may not:

- Refer themselves or create fictitious accounts
- Use paid advertising that misrepresents Lumynr or its membership
- Offer unauthorized incentives or side agreements to referred members
- Manipulate referral tracking through technical means
- Share Ambassador links in spam, unsolicited bulk messaging, or deceptive communications

7.2 Consequences of Violations

If Lumynr determines, in its sole discretion, that an Ambassador has violated these Terms, Lumynr may:

- Void pending referral rewards
- Recover the value of improperly obtained rewards
- Suspend or permanently revoke Ambassador status

8. Program Changes and Termination

8.1 Modifications

Lumynr reserves the right to modify, suspend, or terminate the Program or these Terms at any time. Material changes will be communicated via email and/or updates to this page.

8.2 Effect of Changes

- Referrals that have already qualified will be honored under the terms in effect at the time of qualification
- Pending referrals not yet qualified may be subject to updated terms

8.3 Program Termination

If the Program is terminated, rewards for already-qualified referrals will be honored in the next scheduled payout batch. No rewards will be issued for referrals made after the termination date.

9. Privacy

By participating in the Program, you acknowledge that:

- Your referral activity (clicks, conversions, rewards earned) is tracked by Lumynr and accessible through your Ambassador Dashboard
- Lumynr will not share your personal information with referred individuals beyond what is necessary to attribute the referral
- For complete information on how we handle personal data, please review our [Privacy Policy](#)

9.2 Communications and Marketing Consent

- By enrolling in the Ambassador Program, you consent to receive program-related communications from Lumynr, including referral notifications, payout confirmations, and program updates. You may opt out of non-essential communications at any time by contacting members@lumynr.com or using the unsubscribe link in any email communication.
-

10. Disputes

If you have a dispute regarding referral tracking, qualification, or rewards, please contact us at members@lumynr.com. We will review the matter and respond within 10 business days.

Lumynr's determination regarding referral qualification and reward eligibility is final and binding.

11. Limitation of Liability

Lumynr's total liability for any claims arising from the Program is limited to the value of the reward you would have received absent the issue giving rise to the claim. Lumynr is not liable for any indirect, incidental, or consequential damages.

12. General Terms

These Terms, together with the Lumynr Terms of Service and Privacy Policy, constitute the entire agreement between you and Lumynr regarding the Program. If any provision is found unenforceable, the remaining provisions remain in full effect. You may not assign your rights or obligations under these Terms. Lumynr may assign its rights without restriction.
